recommended every 3 years

*This qualification contains both
theoretical and practical elements.

Be Prepared!

Did you know that incorrect manual handling causes over a third of all workplace injuries?

The law states that employers have a legal responsibility to provide adequate training for those who perform manual handling tasks in their day to day role.

The **QA Level 2 Award in Safe Moving and Handling (RQF)** is a regulated and nationally recognised qualification designed for those who work, or intend to work, in a role that involves manual handling. It is the perfect course for those working in a variety of environments including warehouses and shops.

Successful candidates will learn the key principles of manual handling and how to apply these to their workplace. They will also practise a wide range of techniques, ensuring that they leave the course confident and proficient in moving and handling.

What's Covered?

- ① Common manual handling injuries
- ① Manual handling laws
- ① Responsibilities of employers and employees
- ① Risk assessments
- ① Safe movement principles associated with manual handling, including the body's:
 - Musculoskeletal system
 - Centre of gravity
 - Lever system
